Re: CC Docket Nos. 96-45 and 97-160 / Request for Geocoded Data Sets from PNR
Associates, Inc.

Dear Ms. Salas:

Pursuant to the Protective Order issued by the Commission in the above referenced docket on July 27, 1998, 13 FCC Rcd 13910, attached are copies of BellSouth Telecommunications, Inc.'s ("BellSouth") requests and signed declarations addressed to PNR Associates, Inc. ("PNR"). BellSouth is requesting a copy of confidential materials relating to the geocoded data sets filed by PNR in support of their cost input values to be included in the Commission's Synthesis Cost Model.

Also enclosed are additional requests and executed declarations made by BellSouth to PNR to review the geocoded data sets. Upon review of BellSouth's files, it was determined that while these declarations had been timely forwarded to PNR, the declarations were inadvertently not filed with the Commission as required by paragraph 11 of the Protective Order. At this time, BellSouth is submitting these previous requests in order to complete the Commission's files.

If you have any questions concerning the above, please do not hesitate to contact me.

Sincerely,

Richard M. Sbaratta
